

Prayer, Healing & Deliverance Retreat

"Bringing God's Gift of Grace & Mercy to All"

OCTOBER 21-23, 2022

Featured on EWTN, and numerous Catholic publications around the world, Patrick and his wife Joy were once devastated by divorce and wounds of heartbrokenness. Together, they have a blended family of nine children. Through unexpected events, doors were opened to the enemy which led to a demonic manifestation and a 3-year journey with the Catholic Church involving exorcism and deliverance. The Campbells now accompany wounded families and teach them to use the sacramentals of the church and the gifts of the Holy Spirit to fight evil in their family life. They founded The Cross of St. Benedict Society and Joyful Hope Missionaries. Together with various priests, they travel internationally, ministering to 1000s with their Breakthrough Healing Workshops.

Featured on EWTN, and numerous Catholic publications around the world, **Patrick and his wife Joy** were once devastated by divorce and wounds of heartbrokenness. Together, they have a blended family of nine children. Through unexpected events, doors were opened to the enemy which led to a demonic manifestation and a 3-year journey with the Catholic church involving exorcism and deliverance. After the veil had been lifted the reality of the battle that lay ahead was so strong that there was a decision to make. A line to be drawn, to fight and to teach others families how to defend their domestic church.

After their healing the Campbell family founded The Cross of St. Benedict Society and Joyful Hope Missionaries. They have an international membership of over 60,000 intercessors united in prayer for the healing of families.

Together with various priests, they travel internationally, ministering to 1000s with their Breakthrough Healing Workshops.

The Healing Workshops have been approved and promoted as an online course by Franciscan University Catechetical Department. The Breakthrough Healing Workshops for Franciscan University, Steubenville is distributed to over 150 dioceses worldwide.

Patrick and Joy accompany wounded families back to the sacraments by praying with them and giving their testimony of healing. The Campbells teach families to use the sacramentals of the church and the gifts of the Holy Spirit to fight evil in their family life.

The Campbell family craft unique weapons against evil primarily the Cross of St. Benedict which can be viewed at www.crossofstbenedict.com. Patrick was commissioned by the Vatican to create and install the 12-foot Cross of the Renewal which is located in Pittsburgh at the Ark and The Dove Retreat Center for the 50th Jubilee of the International Catholic Charismatic Renewal.

A simple outline on Patrick & Joy's workshop and a good starting point.

**Unblocking the obstacles that keep us from receiving life changing
graces for healing, restoration of family, and our true identity as
children of God through the Sacraments of the church.**

- 1.) Part 1: Testimony of Joy's miraculous healing, in comparison to the non-healing of Patrick's Mother. Understanding that there maybe a block in our connection to God.
- 2.) Part 2: Understanding the key players in the game of life, God, the Devil and our self. Healing from the inside Out. the Ten PROTECTIONS VS Commandments (play on words)
- 3.) Part 3: Jesus wants our healing more than we want to be healed. What are these blocks?
- 5 Major access points that are keeping us from receiving God's grace. Prayer for taking down strongholds.
- 4.) Access Point 1 Forgiveness Understanding that forgiveness is a sacrifice not a process. Who are all people who have hurt you; who you have hurt, and who have offended you.
- 5.) Access Point 2 FEAR, Childhood Trauma, Lies of the enemy. understanding the voices in your head.
- 6.) Access Point 3 Unhealthy Ties. Understanding that 2 or more people in agreement breaking one or more of God's commandants may create an unhealthy tie with which the enemy may access us.
- 7.) Access Point 4 The Occult, understanding that breaking the 1st commandment is the greatest block to Gods sovereignty. What are some examples of the occult or witchcraft and the new age. Putting creation before the creator.
- 8.) Access Point 5 Generational Blessing vs. Generational Sin Patterns. Understanding that access points opened from past generations may have resulted in a consequence, or weakness to sin in a pattern that is obvious.
- 9.) Closing these Access points and the power of surrendering oneself to the will of God.
- 10.) Prayers for Healing
